Railroad Notes

During the months of June and July the Chesapeake and Ohio Railroad Company will receive about 1,500 coal cars now being constructed for it. It has also ordered a number of passen-ger cars from the Pullman Car Com-pany, which will be used upon its ex-press trains between Washington and Cincinnati. Enough new passenger coaches will be furnished to make up four additional trains.

It is announced that a contract has been made for the delivery of 60,000 tons of soft coal for immediate shipment from Philadelphia, Baltimore, Norfolk and perhaps New York to England and the Continent.

The Norfolk and Western Railroad Company will build a new bridge at Berryville.

It is officially informed that nothing will be done about constructing the second track on the Chesapeake and Ohlo between Newport News and Richmond during the present year.

RIPANS Tabules

"I am using those Tabules you recommended and I would not be without them now for any money. One day last week I went to an evening party and ate a hearty supper at 11 o'clock. I had felt so well after using the first half dozen Tabules that I thought that I was cured of my dyspepsia, but I tell you I just suffered the next day. Oh! how sick I was. But I took two Tabu's and they brought me out of bed the same day. Now I take one after each meal and feel fine."
